Fun, Educational and Safe Internet Surfing

Hey Kids! Do you have a research project or just want to explore the Internet? Use these cool websites that will give you good information and keep safe.

**Research:** Type in a couple words you want to know more about like “blue moon” or “butterfly life cycle.” Push the search button and these sites will give you tons of kid-friendly results… just like Google, but better! 😊

- factmonster.com
- searchcredible.com
- infotopia.info
- refseek.com

**Just for fun:** These websites are fun to explore and learn new things.

- almanac4kids.com
- Funbrain.com
- kids.discovery.com
- pbskids.com

Username: Discovery
Password: Books

**Remember:** You should never give out any personal information on the Internet without your parent’s permission. Let your parent know if a website is asking for your personal information like your address, birthday, photo, and other facts about you.
