ADDENDUM #1

RFP 2024-01: Wireless Accesses Points

San Marcos Unified School District

The following changes, additions, deletions, clarifications or corrections shall become part of the Bid & Contract Documents for the above listed project. This Addendum #1 forms a part of the contract document and modifies the original bidding documents. Acknowledge receipt of Addendum #1 in the space provided on the bid form. Failure to do so may subject bidder to disqualification.

AD 1.1.0: RESPONSE TO REQUEST FOR INFORMATION (RFI) REQUESTS

- 1.1.1 Q: On Page 21 for the Hardware Additions, can you confirm the line item totals? You have a quantity of 67, 3, 3 and 70 for the line items but in the scope description narrative you are referencing 15 internal AP's and 5 outdoor AP's. I think the quantity should be 15, 5, 5 and 20 for the line items based on that but would like you to clarify. Also are you asking for both and additional 15 internal AP's and Cabling plus 5 Outdoor AP's and Cabling or are you asking just for the cabling?

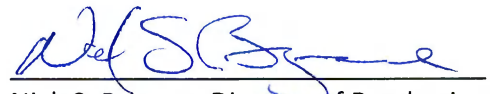

Answer: Quantities were updated to be 15, 5, 5 and 20 respectively as they were entered incorrectly. This will include both Wireless Access points and the cabling with installation. 5 external and 15 internal.

AD 1.2.0: UPDATE TO SPECIFICATIONS AND PROPOSAL FORM

- 1.2.1 Change to section regarding Additional Hardware and update to quantities listed. Table updated on Bid Packet and included here in addendum.
