ATTENDANCE BOUNDARY IMPLEMENTATION PLAN

Standards for Implementing 2018-2019 School Attendance Area Boundary Areas

The following provisions apply only to those residents and students currently living in study areas which have been rezoned by Board action on February 20, 2018.

1. **Elementary School Students**
   a. Students not enrolled during the 2017-18 school year at a SMUSD elementary school will enroll under the new elementary school attendance boundaries in 2018-19 and beyond.
   
   b. Students who are enrolled during the 2017-18 school year at a SMUSD elementary school in grades TK-4 may complete their elementary school education at their currently enrolled school.
      
      ➢ To exercise this option, an intradistrict transfer must be filed with Student Services.
   
   c. Students enrolling in an SMUSD elementary school for the first time in 2018-19 and beyond and have an older sibling at a current elementary school may request to follow an older sibling through an intradistrict transfer in accordance with current Board Policy and, if approved, may complete elementary school at that approved school.
2. **Middle School Students**
   a. Students not enrolled during the 2017-18 school year at a SMUSD elementary or middle school will enroll under the new middle school attendance boundaries in 2018-19 and beyond.

   b. Students who were enrolled in the 2017-18 school year at a SMUSD middle school in either 6th grade or 7th grade may complete their middle school education at their currently enrolled school.

   - To exercise this option, an intradistrict transfer request must be filed with Student Services.

   c. Students enrolling in a SMUSD middle school for the first time in 2018-19 and beyond **and** have an older sibling at a middle school may request to follow an older sibling through an intradistrict transfer in accordance with current Board Policy and, if approved, may complete your middle school at that approved school.
3. **High School Students**
   a. Students not enrolled during the 2017-18 school year at a SMUSD middle or high school will enroll under the new high school attendance boundaries in 2018-19 and beyond.

   b. Students currently enrolled during the 2017-18 school year at San Marcos High School and reside in a study area that would change to Mission Hills High School may complete their education at San Marcos High School. Or, the student may choose to enroll at Mission Hills High School beginning in 2018-19.

     ➢ *To exercise this option, an intradistrict transfer must be filed with Student Services.*

   c. Students enrolling in high school for the first time in 2018-19 and beyond and had an older sibling at San Marcos High School in 2017-18 may request to follow an older sibling through an intradistrict transfer in accordance with current Board Policy and, if approved, may complete your high school at that approved school.

     ➢ If you are an 8th grade student in 2017-18 in study areas 174A/B, 175A/B, 246D or Double Peak School and currently zoned for San Marcos High School, you may request a transfer to San Marcos High School for 2018-19.

     ➢ *To exercise this option, an intradistrict transfer must be filed with Student Services.*
4. **Other Provisions**
   
a. Current SMUSD students who move within the District during the school year may complete their education at their current school during the school year of the move. The student must enroll at the designated school for the new home’s address for the following school year.

   To exercise this option, an intradistrict transfer must be filed with Student Services
   
b. Students who were approved for an intradistrict transfer for the opening of Double Peak School may complete their education at Double Peak School.
   
c. The provisions stated above only apply to current (2017-18 school year) residents in effected study areas. Residents who move from their current residence to a new residence within the District will be required to enroll at the new attendance boundary. Residents who move out of the San Marcos Unified School District will be required to complete a new interdistrict transfer request, in accordance with current Board Policy.
   
d. Employees may continue to request intra/inter district transfers in accordance with current Board Policy.
