Enter
Personal
Information

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, other details, and privacy.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Reserved for future use.
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate ☐

TIP: If you have self-employment income, see page 2.

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 \$ _____		
	Multiply the number of other dependents by \$500 \$ _____		
	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$ _____
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$ _____
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$ _____

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 **and** you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
 - a** Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a **2a** \$ _____
 - b** Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b **2b** \$ _____
 - c** Add the amounts from lines 2a and 2b and enter the result on line 2c **2c** \$ _____
- 3** Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. **3** _____
- 4 Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) **4** \$ _____

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1** Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income **1** \$ _____
- 2** Enter:

{	• \$27,700 if you're married filing jointly or a qualifying surviving spouse	}	2	\$ _____
	• \$20,800 if you're head of household				
	• \$13,850 if you're single or married filing separately				

- 3** If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" **3** \$ _____
- 4** Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information **4** \$ _____
- 5 Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 **5** \$ _____

Purpose: This certificate, DE 4, is for **California Personal Income Tax (PIT)** withholding purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

Beginning January 1, 2020, *Employee's Withholding Allowance Certificate* (Form W-4) from the Internal Revenue Service (IRS) will be used for federal income tax withholding **only**. You must file the state form *Employee's Withholding Allowance Certificate* (DE 4) to determine the appropriate California PIT withholding.

If you do not provide your employer with a withholding certificate, the employer must use Single with Zero withholding allowance.

Check Your Withholding: After your DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form.

Exemption From Withholding: If you wish to claim exempt, complete the federal Form W-4 and the state DE 4. You may claim exempt from withholding California income tax if you meet both of the following conditions for exemption:

- 1. You did not owe any federal/state income tax last year, and
- 2. You do not expect to owe any federal/state income tax this year. The exemption is good for one year.

If you continue to qualify for the exempt filing status, a new DE 4 designating **exempt** must be submitted by February 15 each year to continue your exemption. If you are not having federal/state income tax withheld this year but expect to have a tax liability next year, you are required to give your employer a new DE 4 by December 1.

Member Service Civil Relief Act: Under this act, as provided by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act of 2018, you may be exempt from California income tax withholding on your wages if

- (i) Your spouse is a member of the armed forces present in California in compliance with military orders;
- (ii) You are present in California solely to be with your spouse; and
- (iii) You maintain your domicile in another state.

If you claim exemption under **this** act, **check the box on Line 4**. You may be required to provide proof of exemption upon request.

The [California Employer's Guide \(DE 44\)](http://edd.ca.gov/pdf_pub_ctr/de44.pdf) (edd.ca.gov/pdf_pub_ctr/de44.pdf) provides the income tax withholding tables. This publication may be found by visiting [Payroll Taxes - Forms and Publications](http://edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm) (edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm). To assist you in calculating your tax liability, please visit the [Franchise Tax Board \(FTB\)](http://ftb.ca.gov) (ftb.ca.gov).

If you need information on your last *California Resident Income Tax Return* (FTB Form 540), visit the [FTB](http://ftb.ca.gov) (ftb.ca.gov).

Notification: The burden of proof rests with the employee to show the correct California income tax withholding. Pursuant to section 4340-1(e) of [Title 22, California Code of Regulations \(CCR\)](http://govt.westlaw.com/calregs/Search/Index) (govt.westlaw.com/calregs/Search/Index), the FTB or the EDD may, by special direction in writing, require an employer to submit a Form W-4 or DE 4 when such forms are necessary for the administration of the withholding tax programs.

Penalty: You may be fined \$500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided by section 13101 of the [California Unemployment Insurance Code](http://leginfo.legislature.ca.gov/faces/codes.xhtml) (leginfo.legislature.ca.gov/faces/codes.xhtml) and section 19176 of the [Revenue and Taxation Code](http://leginfo.legislature.ca.gov/faces/codes.xhtml) (leginfo.legislature.ca.gov/faces/codes.xhtml).

Worksheets

Instructions — 1 — Allowances*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Will you itemize your deductions?
- Do you have more than one income coming into the household?

Two-Earners/Multiple Incomes: When earnings are derived from more than one source, under-withholding may occur. If you have a working spouse or more than one job, it is best to check the box “SINGLE or MARRIED (with two or more incomes).” Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with **one** employer.

Do **not** claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 filed for the highest paying job and zero allowances are claimed for the others.

Married But Not Living With Your Spouse: You may check the “Head of Household” marital status box if you meet all of the following tests:

- (1) Your spouse will not live with you **at any time** during the year;
- (2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; **and**
- (3) You will file a separate return for the year.

Head of Household: To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the **entire** year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual’s personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

Instructions — 2 — (Optional) Additional Withholding Allowances

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim **one or more additional** withholding allowances. Use last year’s FTB Form 540 as a model to calculate this year’s withholding amounts.

Do not include deferred compensation, qualified pension payments, or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

Worksheet B

Estimated Deductions

Use this worksheet **only** if you plan to itemize deductions, claim certain adjustments to income, or have a large amount of nonwage income not subject to withholding.

- | | |
|--|------|
| 1. Enter an estimate of your itemized deductions for California taxes for this tax year as listed in the schedules in the FTB Form 540 | 1. |
| 2. Enter \$10,404 if married filing joint with two or more allowances, unmarried head of household, or qualifying widow(er) with dependent(s) or \$5,202 if single or married filing separately, dual income married, or married with multiple employers | – 2. |
| 3. Subtract line 2 from line 1, enter difference | = 3. |
| 4. Enter an estimate of your adjustments to income (alimony payments, IRA deposits) | + 4. |
| 5. Add line 4 to line 3, enter sum | = 5. |
| 6. Enter an estimate of your nonwage income (dividends, interest income, alimony receipts) | – 6. |
| 7. If line 5 is greater than line 6 (if less, see below [go to line 9]);
Subtract line 6 from line 5, enter difference | = 7. |
| 8. Divide the amount on line 7 by \$1,000, round any fraction to the nearest whole number
enter this number on line 1b of the DE 4. Complete Worksheet C, if needed, otherwise stop here . | 8. |
| 9. If line 6 is greater than line 5;
Enter amount from line 6 (nonwage income) | 9. |
| 10. Enter amount from line 5 (deductions) | 10. |
| 11. Subtract line 10 from line 9, enter difference. Then, complete Worksheet C. | 11. |

*Wages paid to registered domestic partners will be treated the same for state income tax purposes as wages paid to spouses for California PIT withholding and PIT wages. This law does not impact federal income tax law. A registered domestic partner means an individual partner in a domestic partner relationship within the meaning of section 297 of the Family Code. For more information, please call our Taxpayer Assistance Center at 1-888-745-3886.

Worksheet C

Additional Tax Withholding and Estimated Tax

1. Enter estimate of total wages for tax year 2023. 1.
2. Enter estimate of nonwage income (line 6 of Worksheet B). 2.
3. Add line 1 and line 2. Enter sum. 3.
4. Enter itemized deductions or standard deduction (line 1 or 2 of Worksheet B, whichever is largest). 4.
5. Enter adjustments to income (line 4 of Worksheet B). 5.
6. Add line 4 and line 5. Enter sum. 6.
7. Subtract line 6 from line 3. Enter difference. 7.
8. Figure your tax liability for the amount on line 7 by using the 2023 tax rate schedules below. 8.
9. Enter personal exemptions (line F of Worksheet A x \$154.00). 9.
10. Subtract line 9 from line 8. Enter difference. 10.
11. Enter any tax credits. (See FTB Form 540). 11.
12. Subtract line 11 from line 10. Enter difference. This is your total tax liability. 12.
13. Calculate the tax withheld and estimated to be withheld during 2023. Contact your employer to request the amount that will be withheld on your wages based on the marital status and number of withholding allowances you will claim for 2023. Multiply the estimated amount to be withheld by the number of pay periods left in the year. Add the total to the amount already withheld for 2023. 13.
14. Subtract line 13 from line 12. Enter difference. If this is less than zero, you do not need to have additional taxes withheld. 14.
15. Divide line 14 by the number of pay periods remaining in the year. Enter this figure on line 2 of the DE 4. 15.

Note: Your employer is not required to withhold the additional amount requested on line 2 of your DE 4. If your employer does not agree to withhold the additional amount, you may increase your withholdings as much as possible by using the "single" status with "zero" allowances. If the amount withheld still results in an underpayment of state income taxes, you may need to file quarterly estimates on Form 540-ES with the FTB to avoid a penalty.

**RESPONSIBLE USE AGREEMENT AND RELEASE OF DISTRICT FROM LIABILITY
(EMPLOYEES)**

The San Marcos Unified School District authorizes District employees to use technology owned or otherwise provided by the District as necessary to fulfill the requirements of their position. The District reserves the right to suspend access at any time, without notice, for any reason.

The District expects all employees to use technology responsibly in order to avoid potential problems and liability. The District may place reasonable restrictions on the sites, material, and/or information that employees may access through the system.

The District makes no guarantee that the functions or services provided by or through the District will be without defect. In addition, the District is not responsible for financial obligations arising from unauthorized use of the system.

Each employee who is authorized to use District technology shall sign this Responsible Use Agreement at least once as an indication that he/she has read and understands the agreement, and will acknowledge each year in the Annual Notification Packet.

Definitions

District technology includes, but is not limited to, computers, the District's computer network including servers and wireless computer networking technology (Wi-Fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, Smartphones, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through District-owned or personally owned equipment or devices.

The District is not responsible for any loss or damage incurred by an employee as a result of his/her personal use of District technology.

The employee in whose name District technology is issued is responsible for its proper care and use at all times. Employees shall not share their assigned online services account information, passwords, or other information used for identification and authorization purposes, and shall use the system only under the account to which they have been assigned to ensure the

confidentiality of both staff and students. Password should be changed regularly to ensure proper security. Employees shall not gain unauthorized access to the files or equipment of others, access electronic resources by using another person's name or electronic identification, or send anonymous electronic communications. Furthermore, employees shall not attempt to access any data, documents, emails or programs in the District's system for which they do not have authorization.

Employees are prohibited from using District technology for improper purposes, including, but not limited to, use of District technology to:

1. Such sites shall be subject to rules and guidelines established for District online publishing activities including, but not limited to, copyright laws, privacy rights, and prohibitions against obscene, libelous, and slanderous content. Because of the unfiltered nature of blogs, any such site shall include a disclaimer that the District is not responsible for the content of the messages. The District retains the right to delete material on any such online communications.

Privacy

Since the use of District technology is intended for use in conducting District business, no employee should have any expectation of privacy in any use of District technology.

The District reserves the right to monitor and record all use of District technology in accordance with applicable law, including, but not limited to, access to the Internet or social media, communications sent or received from District technology, or other uses within the jurisdiction of the District. Such monitoring/recording may occur at any time without prior notice for any legal purposes including, but not limited to, record retention and distribution and/or investigation of improper, illegal, or prohibited activity. Employees should be aware that, in most instances, their use of District technology (such as web searches or emails) cannot be erased or deleted.

All passwords created for or used on any District technology are the sole property of the District. The creation or use of a password by an employee on District technology does not create a reasonable expectation of privacy.

Personally Owned Devices

If an employee uses a personally owned device to access District technology or conduct District business, he/she shall abide by all applicable Board policies, administrative regulations, and this Responsible Use Agreement. Any such use of a personally owned device may subject the contents of the device and any communications sent or received on the device to disclosure pursuant to a lawful subpoena, public records request, or other lawful request.

Records

Any electronically stored information generated or received by an employee which constitutes a District or student record shall be classified, retained, and destroyed in accordance with BP/AR 3580 - District Records, BP/AR 5125 - Student Records, and/or other applicable policies and regulations addressing the retention of District or student records.

Appropriate Use of Digital Tools and Resources

Employees whose duties include supervision of students are expected to provide reasonable supervision and instruction to students under their authority when the students are using District Technology per Board policies, administrative regulations, and other authorities, to monitor students' compliance with their responsibilities under the Student Responsible Use Agreement.

Teachers who are engaged with students in electronic forms of communication are encouraged to follow standard District guidelines for professional conduct as outlined in the SMUSD Employee Handbook in the Employee Conduct section. When communicating with students, keep in mind that the time of day, cultural differences, use of informal language or acronyms all can contribute to the interpretation of appropriate contact. Obtaining parental permission for contact, copying parents on messages, and setting hours of contact can all contribute to professional standards for communication with students. It is recommended that staff utilize

District-owned accounts for electronic communications with students, such as a District-issued email account.

Copyrighted software or data may not be placed on any system connected to the District's system(s) without permission from the holder of the copyright. Only the owner(s) or individuals specifically authorized may upload copyrighted material to the system(s). No teacher/staff member is authorized to perform maintenance or software installations on any District equipment without permission. Staff members wishing to use personal computers on campus, must verify that equipment is running appropriate and updated virus protection. Equipment not running up-to-date anti-virus software may be blocked from the network until it complies. The school district will not provide technical support for personal property, nor will the District install any District-owned software on personal property, or be responsible for problems related to such use.

Responsible Use of District Mobile Devices and Loaner Equipment

Staff members are expected to uphold reasonable standards of care and security to ensure the safety of loaner equipment. This would entail protecting it from damage from food or drink; and securing the equipment in a locked cabinet or desk when not in use. Staff are allowed to use mobile devices off campus, however, they may be responsible for replacement should the equipment be lost, damaged, or stolen when off campus. If transported, it is the employee's responsibility to keep equipment safe and free from damage. This includes locking devices out of sight, in the trunk of your vehicle and not leaving equipment in environments that can cause damage (e.g. hot vehicles, direct sun, moisture, etc.) Equipment is not to be loaned to another staff member, student or family member.

Repairs are to be done by certified District personnel only. Replacements are to be obtained through the District by contacting the Director of Educational Technology.

Loaned equipment remains the property of the San Marcos Unified School District. Equipment does not become the property of staff to which it is assigned.

Reporting

If an employee becomes aware of any security problem (such as any compromise of the confidentiality of any login or account information) or misuse of District technology, he/she shall immediately report such information to the Superintendent or designee.

Consequences for Violation

Violations of the law, Board policy, or this Responsible Use Agreement may result in revocation of an employee's access to District technology and/or discipline, up to and including termination. In addition, violations of the law, Board policy, or this agreement may be reported to law enforcement agencies as appropriate.

Any malicious attempts to harm or destroy District equipment or materials, data of another user of the District's system(s), or any of the agencies or other networks that are connected to the

Internet is prohibited. Deliberate attempts to compromise, degrade, or disrupt system performance may be viewed as violations of District policies and administrative regulations and, possibly, as criminal activity under applicable state and federal laws.

Unauthorized equipment as well as additions/deletions to the network, network equipment, or software are strictly prohibited. Noncompliance with applicable regulations may result in a) disciplinary action consistent with District policies and regulations; b) revocation of account; c) suspension of access to District technology. Violations of law may result in disciplinary action by the District and/or referral to law enforcement.

If a work injury occurs

California law guarantees certain benefits to employees who are injured or become ill because of their jobs.

Any job related injury or illness is covered. Types of injuries include, but may not be limited to, strains, sprains, cuts, cumulative or repetitive traumas, fractures, illnesses and aggravations. Some injuries from voluntary, off duty, recreational, social or athletic activity may not be covered. Check with your supervisor or Keenan & Associates if you have any questions.

All work related injuries must be reported to your supervisor immediately. Don't delay. There are time limits. If you wait too long, you may lose your right to benefits. Your employer is required to provide you a claim form within one working day after learning about your injury.

It is a misdemeanor for an employer to discriminate against workers who are injured on the job or who testify in another employee's case. Any such employee may be entitled to compensation, reinstatement and reimbursement for lost wages and benefits.

Workers' compensation benefits include

Medical Care – All medical treatment, without a deductible or dollar limit. For dates of injury on or after 1/1/04 there is a limit of 24

chiropractic, 24 physical therapy and 24 occupational therapy visits. However this limit does not apply for post surgical treatments. Costs are paid directly by Keenan & Associates, through your employer's workers' compensation program, so you should never see a bill.

If emergency treatment is required go to the nearest emergency room or contact 911.

Keenan & Associates will arrange medical treatment, often by a specialist for the particular injury. Preferred Provider Networks may be utilized for physicians as well as medical care centers.

If you have health care coverage you are eligible to treatment with your personal physician or medical group should you become injured on the job. If you are eligible, **before you are injured**, you must notify your employer **in writing** and provide your employer **written** documentation from your personal physician or medical group that they agree to be predesignated. Your personal physician must be your regular primary care physician who previously directed your medical treatment, who retains your medical history and records. You may only predesignate your primary care physician if they are a family practitioner, general practitioner, board certified or board eligible internist, obstetrician-gynecologist, or pediatrician. Your personal physician may be a multispecialty medical group composed of licensed doctors or osteopathy providing medical services predominantly for non-occupational illness and injuries.

Your employer may be using a Medical Provider Network (MPN), which is a selected group of health care providers to provide treatment to

workers injured on the job. If you have predesignated a personal physician prior to your work injury, then you may receive treatment from your predesignated doctor. If you have not predesignated and your employer is using and MPN, you are free to choose an appropriate provider from the MPN list after the first medical visit directed by your employer or Keenan & Associates. If you are treating with a non-MPN doctor for an existing injury, you may be required to change to a doctor within the MPN. For more information, see the MPN contact information on reverse side.

If your employer **does not** participate in a Medical Provider Network (MPN) you may be able to change your treating physician to your personal chiropractor or acupuncturist. Generally your employer, or Keenan, has the right to select your treating physician within the first 30 days after your employer knows of your injury or illness. After your employer, or Keenan, initiates treatment you may, upon request, have your treatment transferred to your personal chiropractor or acupuncturist. To be eligible you must notify your employer **in writing prior to being injured**. However, a chiropractor cannot be your treating physician after receiving 24 chiropractic office visit.

Your employer will provide you with a form to use an optional method to predesignate your personal physician.

Contact Keenan & Associates if you plan to change physicians at any time.

Payment for Lost Wages - If you're temporarily disabled by a job injury or illness, you'll receive tax-free income until your doctor says you are able to return to work. Payments are two-thirds of your average weekly pay, up to

a maximum set by state law. Payments aren't made for the first three days unless you are hospitalized in an inpatient basis or unable to work more than 14 days.

If the injury or illness results in permanent disability, additional payments will be made after recovery. If the injury results in death, benefits will be paid to surviving, eligible dependents.

Rehabilitation – For dates of injury on or after 1/1/04 - you may be entitled to a ***Supplemental Job Displacement Voucher***, which entitles you to a voucher for educational training.

FISCAL REPORT

Required Annual Employee Notices

 BY CHARLENE QUILAO

 BY SUZANNE SPECK

posted August 24, 2021

Local educational agencies (LEAs) are required by state and federal law, including the California Education Code, as well as policies adopted by the governing board to send required notices to employees on an annual basis. It is also the responsibility of the employer to clearly communicate policies and laws which impact employment and are related to health and safety issues. In cases where notification is mandated by the law or local policy, employees should sign an acknowledgement of receipt of the notification. The acknowledgement of receipt provides verification that the employee has received the mandated information and understands their rights and responsibilities.

These requirements have no relationship to the employee's work location. So, as we begin the 2021–22 school year, and whether you have employees who are continuing to work remotely due to COVID-19 or not, you have to issue annual legal notices again this year. The charts below identify notices that employers are required to provide to all employees annually and those that are required upon initial hire.

In addition to what is required by local policies and state law, there are COVID-19 notifications that employers should consider adding to the annual notifications packet this year, including, but not limited to, the following:

- Families First Coronavirus Response Act (FFCRA) and Emergency Paid Sick Leave (EPSL)—Notifications of these leave entitlements are required, and hopefully everyone provided notifications to employees earlier this year. As the new school year begins, providing another notice is a good practice and provides an opportunity for the LEA to inform employees of agency procedures for requesting FFCRA and EPSL eligible leave. More information regarding FFCRA posting requirements can be found [here](#).
- COVID-19 policies and procedures related to returning to work and telecommuting, cleaning and social distancing procedures, safety protocols, reporting COVID-19 related illnesses and exposure, and

temperature screening or self-certification procedures should be communicated to all employees.

- **Employee Assistance Program (EAP)**—The COVID-19 pandemic has disrupted every aspect of our daily lives creating significant stress and uncertainty. Consider reminding employees of the benefits available through the EAP. EAPs provide support to employees—and often their families—through confidential counseling sessions. Be sure that any notification includes a list of services available as well as information on how to access these services.

Employers must establish a process by which all legally required annual notifications, and optional COVID-19 related notices, are provided and documented. Due to the number of documents in the annual notification packet, it is recommended that LEAs consider utilizing an electronic process. While this may have been a consideration in the pre-pandemic environment, now more than ever, electronic notifications comply with health and safety measures. Digitizing processes which require a large amount of documentation also increases organizational efficiency and reduces the environmental footprint.

Also keep in mind that there may be additional training and notice requirements contained in local board policies and administrative regulations. More information regarding employee notifications can be accessed in the California School Boards Association Sample Board Policy 4312.9, Employee Notifications (<https://www.csba.org/ProductsAndServices/AllServices/Garnut.aspx>).

Annual notices to employees, while seemingly redundant year-after-year-after-year, are an essential human resource function and should be taken seriously. Failure to provide adequate notice to employees of their obligations under the law creates unnecessary risks. Providing required notices to employees is about more than meeting legal requirements; it is also, and perhaps more importantly, about creating a culture of accountability. With the new school year either ahead of you or just in the rear-view mirror, there is no better time to beginning planning the process and method for providing employees with required legal notices and renewing your agency's commitment to creating a culture of accountability.
