**\* TK students needing KOC care to make a full day of coverage will be placed into PM TK by their school site. Therefore, TK KOC care would be offered during the morning hours (hence the name "Morning TK Care"). KOC hopes to offer Morning TK Care (8:15-11:50) at Carrillo, Discovery, Knob Hill, La Costa Meadows, Paloma, Richland and San Elijo schools for the 2023-24 school year. However, all shifts of KOC care must meet a minimum enrollment to be staffed. We will include the option for Morning TK Care in KOC Enrollment in EZ ChildTrack, but if a shift does not meet the minimum capacity during the enrollment period, we will notify parents that we are unable to provide that care. KOC will give this notice as soon as possible before the end of the current 2022-23 school year.**

**\*\* Since Double Peak is projected to have only one AM TK class, we hope to offer After TK Care (11:35-3:10). However, this shift of KOC care must meet a minimum enrollment to be staffed. We will include the option for After TK Care in KOC Enrollment in EZ ChildTrack, but if the shift does not meet the minimum capacity during the enrollment period, we will notify parents that we are unable to provide that care. KOC will give this notice as soon as possible before the end of the current 2022-23 school year.**
